Christina:

I just wanted to take a brief moment to thank you again for your participation in Magento's Imagine 2016 conference. Your presentation "User Experience at Every Level" was a great addition to our Designer's BarCamp. The audience was engaged, the content was excellent, and our initial survey results for your presentation have been very positive. Your professionalism made it a pleasure to work with you. I hope to see you again at a future Magento event.

Sincerely,
